

## Call for services

to host training abroad - providing a knowledge sharing visit and experiential placements  
with an organisation servicing young people who need mental health support

REFERENCE NUMBER: RFESFMWCP005

Date of publication: 29<sup>th</sup> April 2022

Richmond Foundation is in the process of setting up a Mental Well-being Center for Families with Young People as part of the project ESF 02.147.

As part of the process, Richmond Foundation is seeking to organise training for its professionals through placements and a knowledge sharing visit for its management team during summer 2022 at an organisation which:

- Services young people aged between 12 and 25 years and who need mental health support
- Services parents / guardians looking for mental health support or advice for a young person
- Provides training to professionals working with young people who need mental health support

**Language:** Organisations which can provide the training and knowledge sharing using the English language (including placements with clients who can speak and understand English).

**Experience:** Organisations with a minimum 5 years' experience in providing the services listed above.

If your organisation meets the above criteria and is interested to provide the service to host the training, please write to the Project Administrator on [euprojects@richmond.org.mt](mailto:euprojects@richmond.org.mt) and request the call for tender document.

**Deadline for Submission: 27<sup>th</sup> May 2022**
